Critical Care Endorsement Requirements

A paramedic licensed by the board may be granted a critical care endorsement MTP upon presentation of:

- _____ 1. A board approved application
- _____ 2. Completion of a training program that minimally meets the objectives of the University of Maryland Baltimore Campus CCEMTP Program.
- _____ 3. The ambulance service director and EMS medical director shall validate verification of the program having met the specified training standards.
- _____ 4. Pay the fee of **ten (10) dollars**.
- _____ 5. Copy of Kentucky EMT-P license

A paramedic with a critical care endorsement shall be authorized to perform the skills and procedures included in their education and training subject to authorization by the medical director through established protocols.

A licensed paramedic with a critical care endorsement shall be responsible for providing the KBEMS office with copies of their current CCEMTP credentials.
